Ten-Day Notice for Demolition of Facility Buildings

Dear Ms. Cunningham:

In accordance with 40 CFR 61.145(b)(3)(i), USEI is hereby submitting a 10-day written notification for demolition of eleven facility buildings that were damaged during an explosion at the facility. The buildings are comprised of administration, storage, and shower trailers. The facility is as described under paragraph (a)(2) of 40 CFR 61.145. The facility buildings to be demolished under this notification do not contain any Asbestos Containing Material. Included with this letter is the completed, signed Notification of Demolition and Renovation.

If you have any questions regarding this information, please contact me at (208) 985-4817 or Rebecca Hogaboam at (208) 870-7572.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete.
